All SEPTA meetings are open to everyone.

American Sign Language interpreters will be available for this meeting.

The Super Chat will be available on SEPTA's YouTube Channel the following day.

Every year, Arlington SEPTA hosts a "Super Chat" with the Superintendent of Arlington Public Schools to discuss topics relevant to the needs of students receiving special education in APS. Questions are submitted by SEPTA members and compiled by SEPTA's board. A week prior to the meeting all the questions are submitted to the Superintendent and Office of Special Education to allow time to gather data necessary to answer questions as fully as possible.
